IF EXPRESSIONS OF INTERESTS – SPANISH HOST INSTITUTIONS

Under the section "IF Expressions of interest – Spanish Host Institutions" there are more than **500 expressions of Interest from Spanish Institutions** willing to **recruit and host researchers** under the framework of a Marie Sklodowska-Curie **Individual Fellowship (Call MSCA IF 2015)**.

The objective of this call is to enhance **the creative and innovative potential of experienced researchers** by providing them with opportunities to work on research in a European context or outside Europe. Besides, this scheme support the **return and reintegration of researchers from outside Europe** who have previously worked here. It also develops or helps to **restart the careers** of individual researchers that show great potential, considering their experience.

The **MSCA IF 2015** call closes next **10 September 2015**, see more details _here._

To access and download the information, **you can click on any of the 8 scientific areas** established for MSCA and available **on the right hand corner of this section.**

ITN
Innovative Training Networks

What does it offer?
High-quality research training delivered through international and interdisciplinary networks, industrial doctorates or joint doctorates

Who applies?
International networks of research organisations from the academic and non-academic sectors

Who is funded?
Researchers at doctoral level (less than four years of full-time research experience and no doctoral degree)

**Closed
Opens 09/2016**

IF
Individual Fellowships

What does it offer?
Opportunities to work on personal research projects by moving between countries and possibly sectors to acquire new skills

Who applies?
Individual researchers together with the host organisation

Who is funded?
Postdoctoral researchers

**Closed
Opens 04/2016**
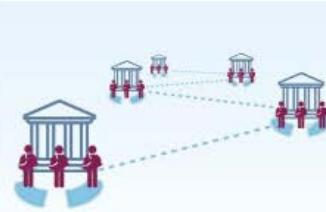

RISE
Research and Innovation Staff Exchange

What does it offer?
The exchange of staff members involved in research and innovation to develop sustainable collaborative projects and the transfer of knowledge

Who applies?
International networks of research organisations from the academic and non-academic sectors

Who is funded?
Researchers, technical, administrative and managerial staff of any nationality and at all career levels

**Open until
28/04/2016**

COFUND
Co-Funding of Regional, National and International Programmes

What does it offer?
Regional, national or international programmes to foster excellence in researchers' training, mobility and career development

Who applies?
Organisations funding or managing doctoral programmes or fellowship programmes

Who is funded?
Researchers at doctoral and postdoctoral level
